In an age of increasing Islamophobia, we believe it's especially important for Christians to take Jesus seriously and love their neighbors as they love themselves — especially the Muslim ones! [The Jesus Fatwah](#) can help you, your faith or discussion group begin the process of discovering who Muslims really are, what they actually believe, and how we can work together in working toward a world at peace. Every 2nd Wed. from 7-9 pm. The next session will look at misconceptions about Islam.

It is that time again when we think of those who have not had the best year. **"THINKING OF YOU"** baskets will be packed soon so we ask you to start thinking of what you can donate to these baskets. They are sent to anyone who has had a challenge in the past year whether it is being bereaved, losing a job, illness – heartache of any kind. We send the baskets to let them know that they are remembered by us, that they are not alone. We send baskets to both women & men, so please think of both when you are thinking of what you can donate: baking, jams, candies, playing cards, and any other thoughtful item you can think of - **THANK YOU!!!**
