**The Love of Christ Jesus is Urging Us On**

The love of Christ Jesus is urging us on,  
For we find our life in what Jesus has done.  
He died and is risen; now we're dead to sin!  
No longer our own, we have new life in him.

The love of Christ Jesus is changing our view;  
In valleys of death, we see God's reign break through.  
Where others seek vengeance, Christ calls us to live  
Forgiven in him — able, then, to forgive.

The love of Christ Jesus leads Christians to care;  
When people are hungry, he calls us to share.  
He gives us a job — to get out of our pews,  
To work for God's justice and live the good news.

The love of Christ Jesus is urging us on  
When others grow weary or say hope is gone.  
He calls us to serve him again and again;  
No longer our own, all our life is in him.
